

# Your spot for a team workation

Get your team together and have a productive time at Tech Spa in Druskininkai!

Planning a training, strategic session or have a big project coming up? A full week or even a couple of days at the off-site location might be the best way to get things done. We provide high-quality workspaces for your productive work & comfortable accommodation for the whole team, so you can focus on your goals without worrying about the logistics.

## Infrastructure for success

We are building locations that inspire creativity and support your journey to success. Tech Spa combines unique architecture, art, and technology-driven solutions, while providing all the necessities for your team.
